Dear Doctor,

Mere papa ne mujhe bataya
ki apne 3 1/2 hrs. hardwork
kiya tab jaake ye operation
successful hua. Thank you
so much. After finding so
many doctor's we found you
and today I am looking
normal. Maine socha ki
ye mera fault hai ki
maine aise birth liya.
Jab ek child born hota
hai tab uske aane ki sab
kushi manate hai lekin
mere aane pe sab roye the!
(continued...)

But apne meri bahot help
ki. I know apka mera
relation ek doctor-patient-
ka hai. But by every patient
YOU ARE GREAT DOCTOR.

Jaruri nahi hai jo intercond-
far mile meahi. Successful
doctors hai. In true words
"YOU ARE A DIAMOND WHICH
CANNOT BE FOUND EASILY."

Apke pass to roz ~~hazaro~~
hazaro patients kaate hoge
but apko un hazaro ki
dua mil rahi hai! 😊
